ESPICH

Upon request of Representatives Espich and Bosma, the Speaker ordered the roll of the House to be called. Roll Call 25: yeas 46, nays 50. Motion failed.

HOUSE MOTION (Amendment 1008-3)

Mr. Speaker: I move that House Bill 1008 be amended to read as follows:

Page 4, delete lines 26 through 38, begin a new paragraph and insert:

"Sec. 16. (a) A special account within the state general fund shall be established for each unit that adopts an income tax under this chapter. Any revenue derived from the imposition of the income tax by a unit shall be deposited in that unit's account in the state general fund.

(b) Any income earned on money held in an account under subsection (a) becomes a part of that account.

(c) Any revenue remaining in an account established under subsection (a) at the end of a fiscal year does not revert to the state general fund.

Sec. 17. (a) Revenue derived from the imposition of an income tax under this chapter shall, in the manner prescribed by this section, be distributed to the unit that imposed it. The amount that is to be distributed to a unit during an ensuing calendar year equals the amount of income tax revenue under this chapter that the department, after reviewing the recommendation of the budget agency, determines has been:

(1) received from that unit for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of income tax under this chapter made in the state fiscal year.

(b) Before August 2 of each calendar year, the department, after reviewing the recommendation of the budget agency, shall certify to the fiscal officer of each adopting unit the amount determined under subsection (a) plus the amount of interest in the unit's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the unit's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under subsections (c), (d), and (e). The department shall provide with the certification an informative summary of the calculations used to determine the certified distribution.

(c) The department shall certify an amount less than the amount determined under subsection (b) if the department, after reviewing the recommendation of the budget agency, determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) This subsection applies to a unit that:

(1) initially imposed a tax under this chapter; or

(2) increased the rate of a tax imposed under this chapter; in the same calendar year in which the department makes a certification under this section. The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a unit to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The department shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(f) One-twelfth (1/12) of each adopting unit's certified distribution for a calendar year shall be distributed from its account established under section 16 of this chapter to the fiscal officer of the unit on the first day of each month of that calendar year.

(g) Upon receipt, each monthly payment of a unit's certified distribution shall be used as provided in this chapter.

(h) All distributions from an account established under section 16 of this chapter shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

Sec. 18. (a) Before October 2 of each year, the department

shall submit a report to the fiscal officer of each unit that has adopted an income tax under this chapter. The report must indicate the balance in the unit's special account as of the cutoff date set by the budget agency.

(b) If, after receiving a recommendation from the budget agency, the department determines that a sufficient balance exists in a unit's account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the recommendation, to make certified distributions to the unit in the ensuing year, the department shall make a supplemental distribution to the unit from the unit's special account.

(c) A supplemental distribution described in subsection (b) must be made in January of the ensuing calendar year and be used as provided in this chapter.

(d) A determination under this section must be made before October 2."

Page 15, between lines 38 and 39, begin a new paragraph and insert:

"SECTION 11. [EFFECTIVE UPON PASSAGE] (a) **The definitions in IC 6-1.1-1 apply throughout this SECTION.**

(b) **As used in this SECTION, "taxpayer" means a nonprofit corporation that is an owner of land and improvements:**

- (1) **that were owned, occupied, and used by the taxpayer to provide youths with the opportunity to play supervised and organized baseball or softball, or both, against other youths during the period preceding the assessment date in 2002 and continuing through the date that this SECTION is effective;**
- (2) **for which a property tax liability exceeding twenty thousand dollars (\$20,000) was imposed for property taxes first due and payable in 2003;**
- (3) **that would have qualified for an exemption under IC 6-1.1-10 from property taxes first due and payable in 2003 if the owner had complied with the filing requirements for the exemption in a timely manner; and**
- (4) **that have been granted an exemption under IC 6-1.1-10 from property taxes first due and payable in 2004.**

(c) **The land and improvements described in subsection (b) are exempt under IC 6-1.1-10-16 from property taxes first due and payable in 2003, notwithstanding that the taxpayer failed to make a timely application for the exemption on or before May 15, 2002.**

(d) **The taxpayer may file a claim with the county auditor for a refund for the amount paid toward property taxes on the land and improvements described in subsection (b) that were billed to the taxpayer for property taxes first due and payable in 2003. The claim must be filed as set forth in IC 6-1.1-26-1. The claim must present sufficient facts for the county auditor to determine**

whether the claimant is a person that meets the qualifications described in subsection (b) and the amount that should be refunded to the taxpayer.

(e) **Upon receiving a claim filed under this SECTION, the county auditor shall determine whether the claim is correct. If the county auditor determines that the claim is correct, the county auditor shall submit the claim under IC 6-1.1-26-3 to the county board of commissioners for review. The only grounds for disallowing the claim under IC 6-1.1-26-4 are that the claimant is not a person that meets the qualifications described in subsection (b) or that the amount claimed is not the amount due to the taxpayer. If the claim is allowed, the county auditor shall, without an appropriation being required, issue a warrant to the claimant payable from the county general fund for the amount due the claimant under this SECTION. The amount of the refund must equal the amount of the claim allowed. Notwithstanding IC 6-1.1-26-5, no interest is payable on the refund.**

(f) This SECTION expires December 31, 2006."
